THE PERFECT GIFT

THE ADVENTURES OF TOUGH SHIT THOMAS

IN THE MEAN STREETS OF THE CITY A PUSSYCAT'S GOTTA BE TOUGH TO SURVIVE. HE LIVES BY HIS WITS....

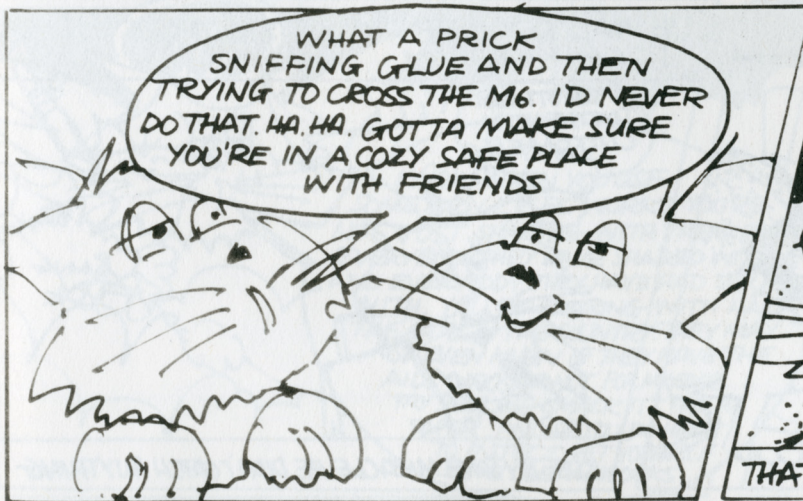

UNFORTUNATELY TOUGH SHIT WAS A COMPLETE DICKHEAD WHO HADN'T LEARN'T HOW TO USE DRUGS PROPERLY

HE ALREADY LOST 4 OF HIS LIVES BY NOT KNOWING HOW TO USE SOLVENTS PROPERLY

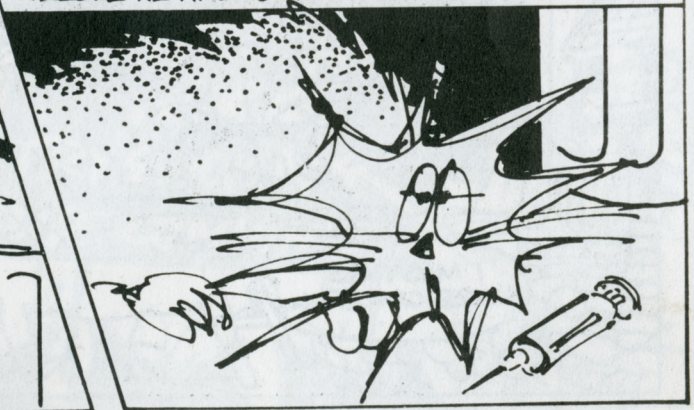

ALL OTHER CATS TOOK CARE WHEN THEY USED DRUGS. THEY OFTEN FOLLOWED THOMAS AROUND TO SEE WHAT STUPID THING HE'D DO NEXT WHEN HE DID THEY'D FALL ABOUT LAUGHING...

FIRST OF ALL HE TRIED TO GET THE LOOK HE HAD FOUND SO NEAT

INSTEAD OF TRYING TO SMOKE THE HEROIN HE HAD BOUGHT FROM HIS FRIEND, HE WENT STRAIGHT INTO INJECTING WITH A DIRTY SYRINGE AND NEEDLE HE HAD FOUND IN A HOSPITAL DUSTBIN...

MOST OF THE OTHER STREETWISE CATS KNEW OF THE JOYS AND DANGERS OF DRUGS. THEY WERE VERY CAREFUL WHEN THEY INJECTED AND NEVER SHARED NEEDLES OR WORKS (OR ANY EQUIPMENT THEY USED).

NO COLIN, I CONTACTED MY LOCAL DRUG TEAM AND THEY GAVE ME SOME CLEAN WORKS IN EXCHANGE FOR MY OLD, LIKE ANY SENSIBLE CAT I DO NOT WISH TO BE INFECTED WITH AIDS OR HEPATITIS B

I SAY GINGER DID YOU GET YOUR FRESH SUPPLY OF SURGICALLY CLEAN WORKS FROM THE CHEMIST?

BUT SURELY GINGER DEAR BOY, YOUR HEROIN HAS BEEN SMUGGLED INTO THE COUNTRY UP A PERSIAN CAT'S ARSE AND WHO KNOWS WHAT IT'S CUT WITH...

QUITE RIGHT, I DON'T MIND TAKING THAT RISK BUT I CERTAINLY WANT TO AVOID A FATAL DISEASE IF I CAN

BUT THOMAS HAD ABOUT AS MUCH SENSE AS A TIN OF WHISKAS, HE WAS ACTING ABOUT AS BRIGHT AS HE DID WHEN HE WAS A KITTEN, IN WHEN HE BURRIED HIMSELF AFTER HAVING A SHIT. HE SEEMED HELL BENT ON CATCHING AIDS.

PSST WANT TO SHARE

HE SHARED WITH STRANGERS

SHARE WITH US SHIT HEAD

OK

HE HAD SEX WITH SHE CATS WITHOUT USING A CONDOM

ANOTHER SATISFIED CUSTOMER

BANG
BANG
FUCK

BUT BY SOME MIRACLE HE DIDN'T CATCH ANYTHING

BUT THOMAS HAD BEEN COVERED IN ABSCESSES AND HAD LOST A LEG-THROUGH INJECTING IN THE THIGH AND MISSING THE VEIN,

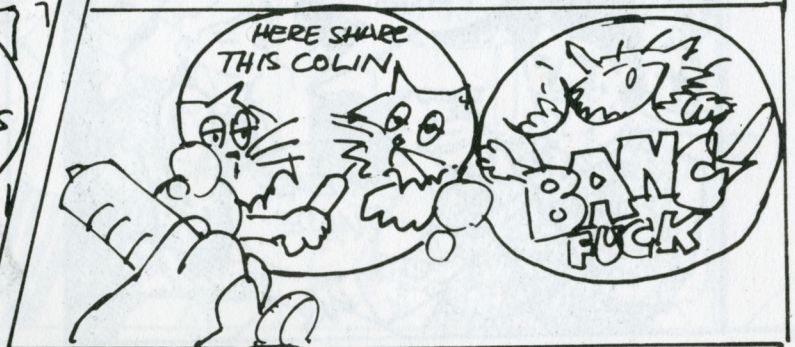

I MUST BE MORE CAREFUL

IT'S FUCKIN HARD WITH ONLY 3 LEGS

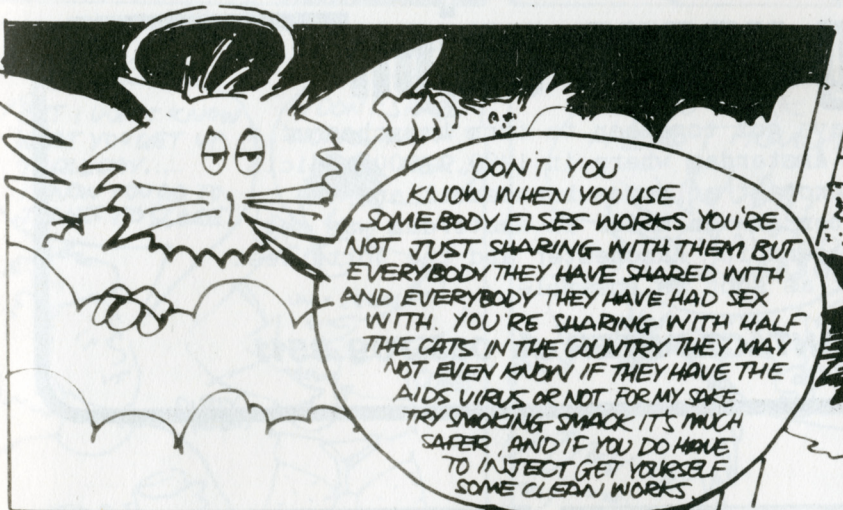

BUT ONE DAY THOMAS PICKS UP A BARREL THAT
HAD BEEN USED BY ONE OF THE SMART CAT'S COLIN

BUT LITTLE DID THOMAS KNOW THAT COLIN
ALTHOUGH HE WAS GENERALLY SAFE, AT ONE TIME
HAD USED A FRIENDS WORKS WHEN HE WAS SHORT
AND THAT FRIEND HAD SEX WITH A SHE CAT WHO
HAD SHARED WITH HER BOYFRIEND WHO HAD THE AIDS
VIRUS WITHOUT REALISING IT.

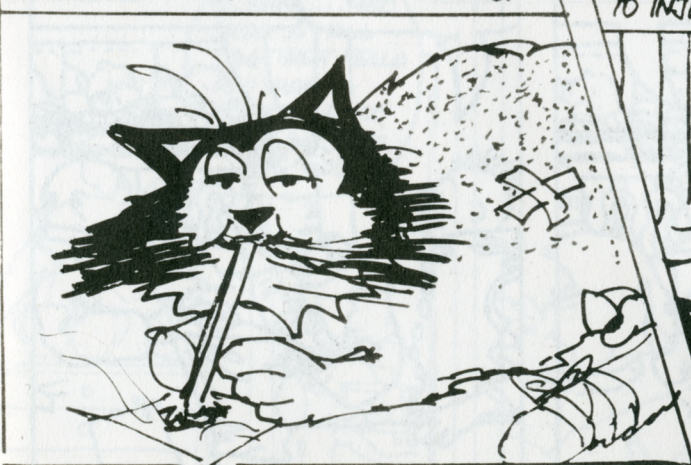

JUST AS THOMAS IS ABOUT TO INJECT A VISION
APPEARS.....

THOMAS WENT ALONG TO HIS DRUG TEAM
WHO GAVE HIM CLEAN WORKS BUT
FOUND THAT HE ENJOYED
SMOKING HEROIN.....

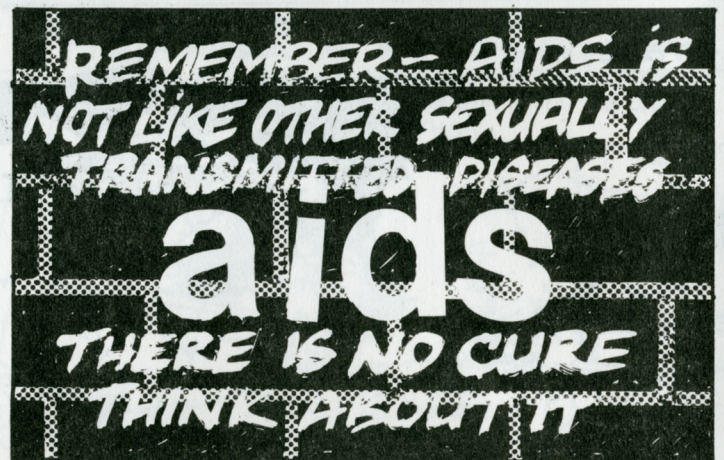

JUST AS MUCH AS INJECTING

NOW WHEN THOMAS SEES OTHER YOUNG KITTENS STARTING
TO INJECT HE ALWAYS GIVES THEM ADVICE HE WISHES HED HAD....

THE DAFT BASTARDS

ACHTUNG!----drug users union

In London and Liverpool drug users have got together to form branches of a 'Junkies Union'. the idea comes from Amsterdam where in 1979 1,000 addicts took over a building in the city in protest at poice harassment and the lack of help, the famous helping system now on offer in Amsterdam was set up as a result of this action. Drug users in Manchester and the North West in general need to join this movement as soon as possible.

SO STOP MOANING AND GET ORGANISED! **CONTACT PETER c/o 051-709 3511**

Dear Site, I've just returned from Amsterdam where drug takers are treated like real human beings. Why are we treated like shit in this country?

SITE REPLY—

Firstly you should tell us what it is that pisses you off about the drug services in this country & this area. Secondly join the drug users union, by joining with others who are pissed off you'll be in a stronger position to argue for the services you want to see.

Dear Site
I am injecting speed and using clean works bought from a chemist
How do I get rid of the old works?

SITE REPLY—

Get one of those hard plastic bottles (domestos bleach type) or a tobacco tin or similar, drop the needles inside before throwing away. Better still call into the needle exchange scheme at Lifeline where you'll get free needles & dump your old ones.

Dear Site,
I've been injecting heroin for a few years now and can't find a vein in my body. I don't want to go to the Community Drug Team because I've heard they don't do Methadone anyway. What should I do? I like using drugs!

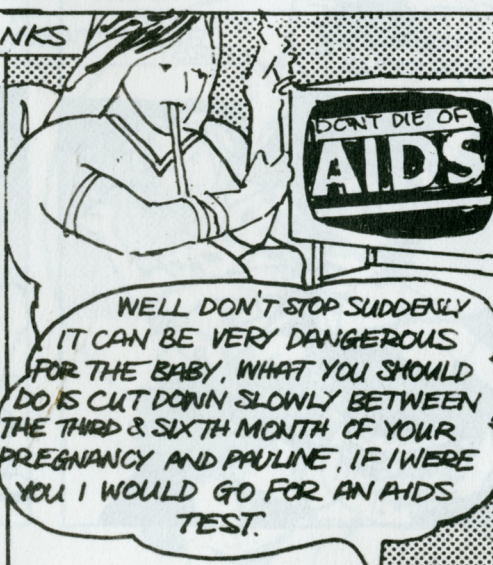

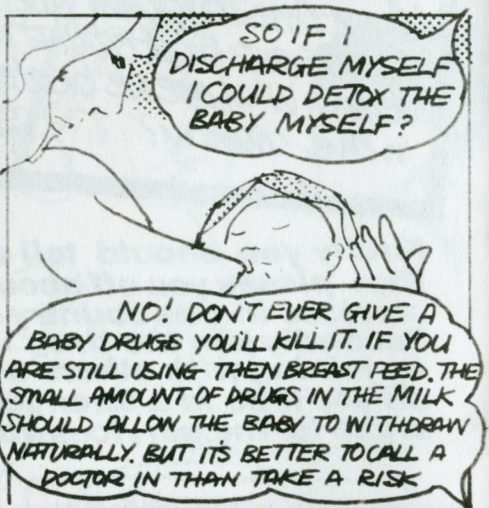

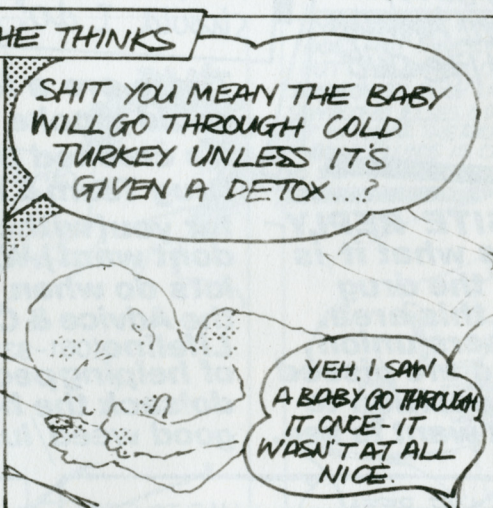

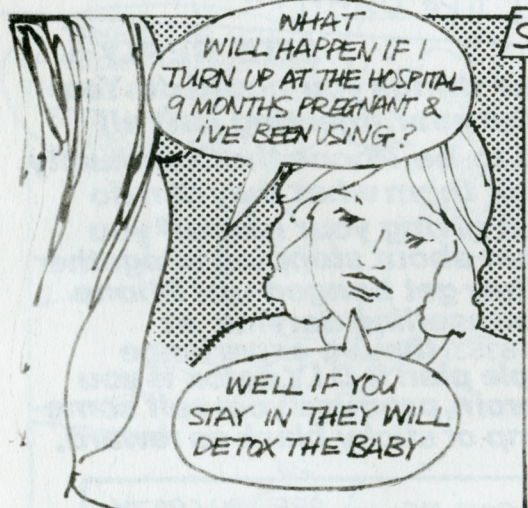

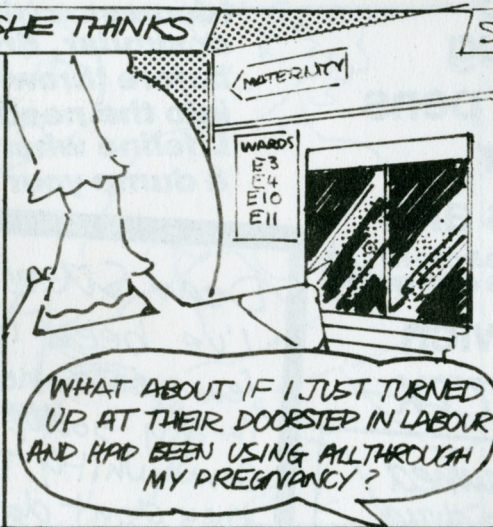

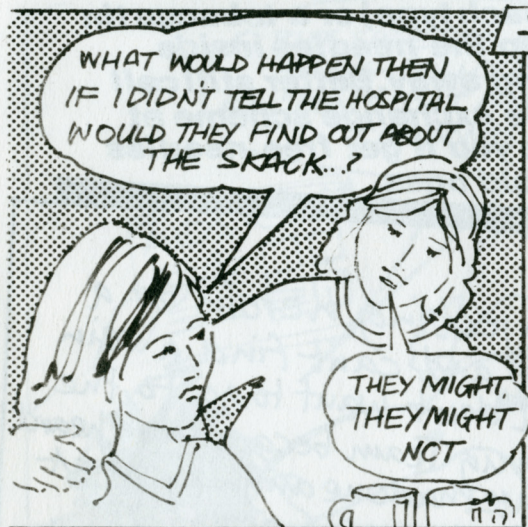

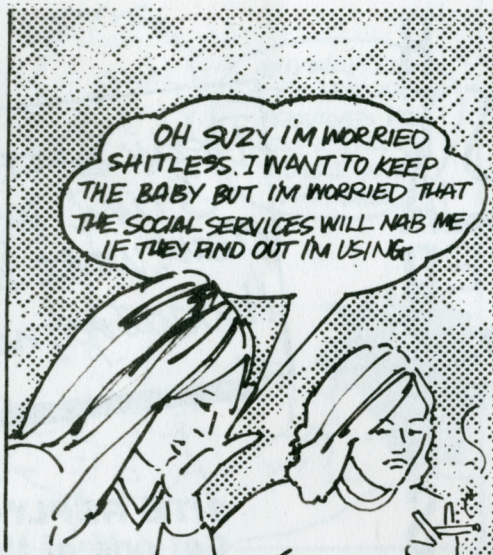

SITE REPLY—

There are a few things you could do. You could smoke the gear, injecting isn't all it's cracked up to be. Phone the Community Drug Team & ask them what they can do for you (without giving your name if you don't want). What about stopping altogether lots do when they get banged up! Phone the Advice & Counselling Service at Lifeline (061-832 6353) they've experience of helping people plan a D.I.Y. detox if you do sack the heroin, promise yourself some reward.
